

Complaints and Appeals Policy

ABC Licence Training understands its obligation to protect the rights of learners and is committed to managing and responding to allegations involving the conduct of our marketing, administration, training and assessment processes, trainers, assessors or other staff, learners and third parties who deliver or market or recruit on our behalf. All complaints and appeals will be treated as an opportunity for improvement and will contribute to our internal policies and procedures.

We also understand our obligation to manage requests for a review of decisions, including assessment decisions made by ourselves or a third-party providing services on our behalf.

Procedure

ABC Licence Training will ensure that the Complaints and Appeals Process is accessible, transparent, fair and equitable and that any complaint or appeal is treated in a timely manner as follows.

Learners are informed of the Complaints and Appeals Process on our website.

Confidentiality is maintained throughout the processes outlined below.

The Complaint Process

- Learners are encouraged in the first instance to talk to the person involved; this might be the Trainer/Assessor, member of staff or another learner. The Trainer/Assessor will make notes of the concern and follow up with the relevant staff member.
- If the problem continues or is not easy to resolve informally, a meeting with the Partnership Manager/ CEO is arranged. This meeting can be face to face or by phone and learners can elect to have a representative present. A record of the meeting is kept including the grievance and the agreed proposed solution. Any investigation of matters raised is followed up and a response made within an agreed timeframe. Both parties are to sign this record of the meeting.
- If the learner is not satisfied with the above actions, a written grievance can be made via email to admin@abcfirstaid.com.au. The complaint will then be handled by the Partnership Manager/CEO.

- If the matter is still unresolved, an Independent Adjudicator will be assigned to examine the matter. This party will be independent of the RTO and the complainant or appellant, and their selection will be managed by the Partnership Manager/Managing Director with the mutual agreement of the complainant. The written decision of this body will be final and will be made within 60 days of the complaint first being submitted. If the 60-day target cannot be met, the complainant will be informed in writing giving reasons why more time is required and will then be given regular updates on the progress of the matter.

The Assessment Appeals Process

ABC Licence Training will consider all appeals against assessment decisions as documented below.

- Learners are encouraged in the first instance to talk to the assessor who made the assessment decision within one week of receiving the result. Learners are entitled to two attempts at assessment so in most cases, the matter can be resolved by the Assessor providing feedback and a resubmission or reattempt organised at a mutually convenient time.
- If the outcome is not resolved, then the assessment will be remarked by another, fully qualified, Assessor. This should be completed within 14 days of receiving the appeal.
- If the learner is still not satisfied with the assessment outcome, the appeal should be put in writing within 7 days via email to admin@abcfirstaid.com.au
- On receipt of the Appeals Form, a meeting with the Partnership Manager/CEO is arranged. This meeting can be face to face or by phone and learners can elect to have a representative present. A record of the meeting is kept including the reasons for appeal and the agreed proposed solution. Any investigation of matters raised is followed up and a response made within an agreed timeframe. Both parties are to sign this record of the meeting.
- If the matter is still unresolved, a mutually agreed, independent mediation body will be assigned to examine the matter. The written decision of this body will be final and will be made within 60 days of the Complaint first being submitted. If the 60-day target cannot be met, the complainant will be informed in writing giving reasons why more time is required and will then be given regular updates on the progress of the matter.
